## Additional information

- ▶ This targeted product is designed as an alternative solution for hard-to-fill roles.
- ▶ We advise publishing in English for IT job postings as it usually increases interest from international job seekers.
- ▶ This product is designed for filling vacancies in your local market or remote-working positions.
- ▶ To get more information please contact us on [international@irishjobs.ie](mailto:international@irishjobs.ie) to get in touch with your sole Account Manager across the campaign.
- ▶ Prices are subject to change and certain conditions may apply.
